

Travel Over Local Freeway Totals 30 Per Cent Entry

There were 45,055 more cars through the Truckee quarantine station last month than there were during August, the monthly report from the department of agriculture shows.

It also shows that there were 79,054 more cars checked in September than during September of last year.

The Truckee station, with 191,278 cars, 4,774 trucks and 1,045 buses, with a total of 485,874 passengers, was by far the busiest station among the 18 reporting. Yermo was in second place with 102,640 cars, or 88,638 cars behind the local stations.

The Meyers station on Highway 50 reported 34,981 cars, 265 trucks and 89 buses with a passenger total of 82,785, or more than 400,000 fewer passengers than Truckee.

SACRAMENTO—(CNS)—Traffic passing California's border checking stations continued its trend of sharp increases over 1960, with both the number of vehicles and passengers during September up more than 20 per cent from a year ago.

A big part of the increase appeared to be on U. S. 40 at the Truckee station.

The 485,874 passengers and 191,278 automobiles checked by the Truckee station in September accounted for nearly 30 per cent of the vehicles and nearly 28 per cent of passengers passing all the stations.

Economic Survey Report Submitted

A detailed report on "How to Inventory Our Economic Resources," was submitted to the Truckee Donner Chamber of Commerce by Cecil Edmunds at last week's meeting held at Smart's.

The report gave an outline of the steps required leading to the appointment of three committees to prepare an economic analysis of the eastern portion of Nevada County.

A report of this type has long been desired by the chamber for preparing future development of the region.

Edmunds has gone to considerable effort and has contacted numerous sources for his report which was highly praised by Acting President N. F. Dolley.

While no immediate action was taken, it was the consensus of opinion that an organizing committee will be named in the near future to give further study to the important subject.

The committees necessary, the report pointed out, would be the organizing committee of three members; the coordinating committee of ten members and the operating committee consisting of some 20 members. Cost of the survey was estimated at \$1,800.

FAULKNERS TO HEAD EASTERN STAR HERE

An installation ceremony for newly elected officers of Truckee Chapter, No. 116, Order of the Eastern Star will be held at 8 o'clock, December 2 when Ruby and Sam Faulkner of Kings Beach are to be seated as worthy matron and worthy patron of the lodge.

Elsa and Jerry Culbertson were also elected to the positions of associate matron and associate patron; Phyllis Snyder, conductress; Mildred Johnson, associate conductress; Virginia Doyle, secretary; Elmay Philippi, treasurer.

Appointive officers will be announced at a later date.

PROGRAM ENJOYED BY ROTARY LADIES

The Truckee Rotary Club combined business and a pleasant social evening at their ladies night, held in the Church of the Mountains Monday evening, with Harold Drummond presiding.

Following the dinner, the group heard Charles Lauppe of Roseville speak and were treated to a program of accordion music by Tommy Hull, Joe Reichlin, Eileen Olson, Dale Perkins and their teacher, Mrs. Yvonne Webb.

SACRAMENTO—(CNS)—The contractors' state license board announced it plans to issue a glazing contractor's license to Harvey G. Hopkins, William C. Myers, and R. B. Jones, HAD Glass Company, P. O. Box 268, Tahoe City, if no protests are received by October 24.

ATTEND CONVENTION HOMEWOOD—Mr. and Mrs. Don Huff of Homewood, Pete Bennett of Brockway, Mr. and Mrs. George Phillips and Mr. and Mrs. Tom James of Sandy Beach attended the California State Hotel Association meeting in Santa Barbara this week.

Vickie Rose of Truckee was flower girl at the recent wedding of Mr. and Mrs. David H. Goss of Vinton, performed at Reno.

Airport District To Seek More Funds For Local Project

The Truckee Tahoe Airport District has filed an application with the federal aviation agency for the sum of \$74,018 for matching funds for the current fiscal year 1961-62.

"The district," said Chairman John Houlgate, "expects to contribute the sum of \$63,052 and anticipates spending \$137,070 on lengthening and widening the runway now under construction and to construct a full length taxiway."

The construction work presently underway will give the airport a 5,000 ft. x 60 ft. runway, which is the minimum required by the federal aviation agency to qualify as a usable airstrip at this altitude. The contractor, Carl J. Woods, will be placing the base rock foundation followed by the seal coat topping early next month, weather conditions remaining favorable. The second phase of the work proposed for the current fiscal year will extend the runway an additional 1,000 ft. and widen it to 80 ft. and construct a 6,000 ft. taxiway 40 ft. wide. This work should get underway early next summer," said Houlgate.

"The district," continued Houlgate, "has been granted a planning loan of \$9,200 by the housing and home finance agency, to plan and engineer this additional work."

Another Fire Near Hirschdale Is Out

The 65th reportable forest fire of the season was quickly extinguished through efforts of the helicopter crew and the suppression crew of the Truckee District of the Tahoe National Forest Sunday afternoon.

The fire, believed to have been started by a chain saw falling a snag on Buck Ridge, south of Hirschdale, spread over a quarter of an acre before the helicopter with Foreman Emery McCarroll and Crewman Ronnie McBride reached the scene and made the initial attack.

As a result of the fires being started by chain saw friction, the forest service has issued an order prohibiting their use on forest service land for cutting dry snags and has appealed to private owners to use the same precaution.

The brush and grass are powder dry, it was pointed out by the forest service and the smallest spark may result in a disastrous blaze.

INJURED MAN FILES SUIT FOR DAMAGES

James Tompkins, a former employee of the Burney Lumber Sales Company of California, is seeking \$250,000 from his former employer for injuries he claims he suffered in an accident last April 28.

A suit on file in the superior court claims Tompkins was working in the firm's logging mill near Truckee, when he became enmeshed in mechanical gears. He claims the injuries caused amputation of his left leg and other permanent injuries.

Named as owners of the firm are Nathan and Sidney Topol of Sacramento and Byron Topol.

JACK STOLLERY AT MONTEREY SESSION

Jack Stollery of Tahoe City, student at the Sierra College, represented his district when more than a dozen students from the college traveled to Monterey during the weekend for the annual Northern California student leader conference.

Miss Kathro Frank, dean of students, accompanied the group to the all-day Monterey conference.

TAHOE WEATHER

TAHOE CITY—The level of Lake Tahoe Monday had dropped to a new low of 6223.06, just .06 of a foot above the natural rim of the lake. The temperature at Tahoe City has ranged this week from a low of 37 to a high of 65 degrees. No precipitation was recorded since last Wednesday when .03 of an inch of rain fell.

GUILD MEET

All members are reminded that the next meeting of the Assumption Guild will be the fourth Monday on October 23. Communion Sunday will therefore be October 22. All members are urged to attend.

Violators Nabbed As Check Station Is Operated Here

A deer checking station, for out-of-state hunters from California, conducted by game wardens from California and Nevada and by U. S. Fish and Wildlife agents from Sacramento, has just been completed at the Truckee quarantine station. The operation was to acquaint California hunters with the new declaration of entry forms, required by law to be filled out when bringing fish and game back into California from another state or country, Warden Charles Spillner explained.

The station was operated on a 24 hour basis for one week, from October 8 to October 15. During that period, 2,200 successful hunters were checked and more than 462,000 pounds of deer, elk, antelope and moose were declared. Also brought back into the state were one cougar and 11 bobcats.

Many deer checked in were over 200 pounds and several were around 240 pounds. The largest deer checked in was from Idaho and weighed 305 pounds dressed weight, Spillner said.

The check also revealed 25 violations of game laws. Twenty-two cases were taken to Truckee court and three cases to the federal commissioner in Sacramento.

The policy of law enforcement respecting game violations will be one of strictness, District Attorney Harold A. Berliner and Warden (Continued on Page 10)

Recreation Plan Hearing Delayed

The Nevada County Board of Supervisors yesterday continued until November 1 at 11 a. m., the hearing on a petition by residents of this area to establish a recreation and park district embracing the entire fifth supervisorial district.

A petition signed by some 50 residents of the Soda Springs area, asking exclusion from the district, was read. The petition declared the summit area would not benefit from the district and while they did not oppose formation, they asked exclusion.

Dr. Henry Tapia and Francis Longo appeared and spoke in favor of the district and letters from Carson White and Ben Lobnow were read in opposition.

OFFICERS CHOSEN IN BOY SCOUT MEETING

Officers for Truckee Boy Scout Troop No. 7 were named at last week's meeting, Scoutmaster Robert Schooley announced.

David Sorani is the senior patrol leader and other patrol leaders are Don Greene, Chris Keller and Jim Drummond. The troop scribe is Randy Russell, the quartermaster is Steve Schooley and the troop librarian, Gary Waters.

The troop went on a swim party to Reno Friday night.

Stan Greene has been entered as a tenderfoot in the troop.

DEBBIE JELIN FETED AT BIRTHDAY PARTY

Debbie, daughter of Mr. and Mrs. Walter Jelin was complimented at a party on her birth date, October 8. Sharing the afternoon of games, gifts and a special cake served at refreshment time were: Nola Houlgate, Patsy Goldsmith, Jeanie King, Janet Coro, Karen Adler of Sacramento.

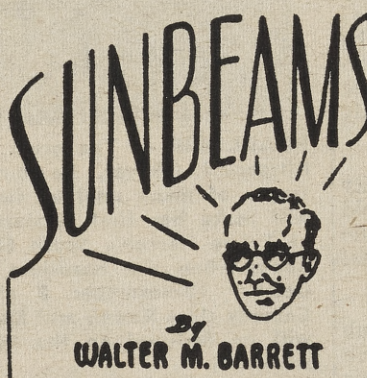

Mr. and Mrs. Conrad Litten of Oakland were present and Ricky Jelin who is in the U. S. Navy was home from San Diego. The latter will be based at Long Beach after his leave.

FATHER OF TRUCKEE MAN EXPIRES IN EAST

Richard Paddock, in charge of the Truckee office of the department of motor vehicles, received word of the death of his father, Carroll Paddock, 72, in Concordia, Kansas Sunday night. The deceased had been in ill health for some time. Several brothers reside in Kansas.

To View Fire Films—

A dinner meeting of the Wye-the-Club members will be held October 20 in Donner Lake Lodge. The meeting will convene at 7 p.m. and the group will view films of the 1960 Donner Ridge fire.

It seems highly improbable that the directors of the Truckee Public Utility District are seriously considering the sale of the electric department of the district for the offered sum of \$300,000. It may be true that at the moment, the district is in a bit of a financial bind and that a sale would be the easy way out. However, there are many reasons why continued efforts should be exerted to hold on. Primarily, the utility district forms the keystone for this community's future. Without incorporation, the area would lose its identity very quickly and could not face the future with the same vigor which should be provided by its district's activities in providing required services for a growing region. Efforts to secure electrical energy at a lower cost are being made. Whether this plan succeeds or fails is not too important in the whole picture. What is important is that for 35 years, the utility district has been responsible for much of the area's development and now that we are on the verge of our biggest forward movement, it is no time to think of disposing of our most valued asset. To what other agency could we turn for support? Maybe a slight increase in rates is indicated. We do not advocate this, but we certainly cannot visualize sacrificing our one sound entity at this time. The district provides us with one of the best lighted town in the west—free of cost to the individual. We call upon the district for many and varied services beyond power and water and perhaps take these services for granted, but let them escape and we are sure they would be irreplaceable. We believe that definitely we should hold on to our district at least until such a time as an equitable agency is provided to keep the community intact.

Post Office Is Now In New Quarters

Truckee's post office, which was scheduled to move into its new quarters on Bridge Street finally moved Tuesday. The delay was caused, Postmaster Richard Higgins said, by a breakdown of the car bringing the postal official here to oversee the move.

The first thing that becomes apparent in the new location is the lack of parking space in front or near the front of the office. However, it has been indicated that as soon as possible the somewhat narrow street will be surfaced to the edge of the sidewalk and a parking limit established.

Official dedication of the new office is being planned and will be announced later by Postmaster Richard Higgins.

The new building is modern throughout and is designed to provide more adequate service for the fast developing area it serves.

MRS. HENRY BACK AS EASTERN TRIP ENDS

TAHOE CITY—Mrs. Marie Henry of Tahoe City and Mrs. Nancy Donaldson of Oakland returned from an interesting trip east where they attended the 15th annual Air Force Association convention held in Philadelphia.

While there, they visited the Soroptimists Club of America and were shown many courtesies, including a side trip to the beautiful countryside and visited friends and relatives of Malcolm Fox.

They continued to Washington, D. C. and New York where they attended U. N. sessions, fashion and TV shows.

LOCAL PEOPLE SEE COLLEGE FOOTBALL

Mr. and Mrs. Reg Smart and family and Mr. and Mrs. Kirby Schull were among the locals attending the football game at Auburn fairgrounds Saturday night when the Sierra College defeated the Chico State Frosh 30 to 8.

Reg Smart and Jim Schull, sons of the local people, are playing on the Sierra team this season.

Wolverines Lose To South Tahoe; Wheatland Next

Playing against a much heavier and more experienced team, the Tahoe Truckee Wolverines Saturday dropped their Homecoming game to the South Tahoe Vikings 26 to 0.

Friday night the Wolverines travel to Wheatland where Guy Wilson's Jayvee squad will meet the juniors of that school at 6:30, with the varsity game scheduled for 8 p. m. under the lights.

Wheatland is the sixth team in its class in the northern section of the state, having won 16 and lost none. Coach Ken Holback will be handicapped with injuries as both Charles Glenn and Center Charles Kimman are out as a result of injuries in the South Tahoe contest.

The defensive squad, Holback said, played hard and fast, but the offensive team seemed to lose heart after South Tahoe scored two touchdowns, one by Little on a 12-yard run and the other on a pitchout, in the second quarter.

The Wolverines held the Vikings scoreless in the third frame, but the visitors came back in the last quarter to score twice more, first on a 30-yard pass from Hays to Waite and again when Little, a 230 pound fullback carried the ball over.

During the half time intermission, Miss Cookie Smart was crowned Homecoming queen and her attendants were Miss Sue Scott and Miss Cheryl Liston. Doug Baxter, captain of the Wolverines, crowned the queen during the ceremonies.

Secretary Udall Is Pleased With Lake

TAHOE CITY—"Lake Tahoe certainly deserves its reputation as one of the choice beauty spots in the whole United States."

Thus spoke Secretary of the Interior Stewart Udall, who this week visited the famous lake for the first time accompanied by Congressman Harold T. Johnson of Roseville, Senator Alan Bible and Governor Grant Sawyer of Nevada.

While admiring the lake, Udall expressed concern that overdevelopment could destroy the attractiveness and surrounding area through pollution and the destruction of natural beauty.

The ideal situation, he said, would be to have private development supplemented by areas reserved for public use. He expressed the view that the lake, especially on the Nevada side, has a serious shortage of camp grounds and public recreation facilities.

At a luncheon held at South Tahoe, Udall praised Johnson for his intimate knowledge of the far flung second congressional district and its problems.

Udall said it is possible that priority may be given the public recreation problems at Tahoe.

TAHOE SKI CLUB IS SPONSORING EVENT

TAHOE CITY—The Lake Tahoe Ski Club is sponsoring their first major social event of the season with a buffet dinner to be held Wednesday, October 25 at the Nevada Lodge at 7:30 p. m. The affair is open to the public as well as members of the ski club, according to Herb Kahn, club president.

Assisting Kahn with making arrangements for the event are Dotie Caulkett, Chick McBride and Martha Snyder.

There will be an admission charge of \$1.50 per person and tickets may be purchased in advance at any of the local stores as well as at the Nevada Lodge on the evening of the dinner.

TAHOE FIRE SEASON IS GIVEN EXTENSION

Tahoe National Forest personnel report that the regular forest fire season normally officially over October 15, will be extended due to the continued fire danger in the forest.

Lookouts will remain at their posts until enough rain has fallen to warrant the end of the danger season forest service reports.

Sardis Visit—

Mr. and Mrs. Ed Sardi of Reno were local visitors on Monday.

Three Mishaps In Area Send Six To Truckee Hospital

Three injury accidents in which six people were hurt were reported by the California Highway Patrol this week.

Four were hospitalized Thursday at 3:45 a. m. when a car driven by Kenneth Broadhurst, 22, Colfax struck the rear of one operated by Harry L. Taylor, 23, Willows, at the Quincy overpass on the freeway just east of Truckee.

Broadhurst apparently fell asleep at the wheel. Taken to the hospital for treatment were Taylor, Charlotte Taylor, 25, Broadhurst and his companion, David Jacobson, 21, Redding.

Motor Mishap

Charles C. Christy, 16, Stateline, a student at the South Tahoe high school, was treated at the Tahoe Forest Hospital Saturday morning after his motor scooter got out of control two miles south of Highway 40 on SR 89 and he was thrown off.

Realtor Injured

Gerald M. Stimson, 63, realtor of Tahoe City, was injured Monday morning at 1:15 when his car left the highway at Tahoe Vista, struck a utility pole and careened into the Moseley Gift Shop. He was taken to the hospital for treatment and later released.

Radio Man Pleads Guilty To Charge

William Robert DeWire, of Truckee, indicted for theft by Nevada County Grand Jury September 19, changed his plea of not guilty to guilty in Nevada County Superior Court Friday afternoon.

DeWire is charged with taking over \$900 from radio station KHOE in Truckee. DeWire is charged with opening a separate bank account for the station where he was employed and naming himself as owner of the station in doing so. He then deposited KHOE funds in the account and is charged with removing them for his personal use.

Public Defender Leo Todd requested continuance of the case until November 3 pending the probation officer's report.

Continuance was granted and DeWire was returned to the county jail.

TWO MEN HELD FOR STATION BURGLARY

Dennis B. Fisher, 19, and John William Henke, 20, both of Truckee, were being held on suspicion of burglarizing George's Shell Station west of here last Friday. A window was broken and a cash box looted with a loss of \$157.13. Deputy Sheriff Roy Waters reported.

Suspicion was aroused when foot prints leading to the station matched one of the suspects. The two were taken to Nevada City by Waters yesterday for further investigation.

FIRE ON SUMMIT IS STOPPED BY CREWS

Another small fire in Billy Mack canyon near Donner Summit was extinguished by employees of Briggs, Conley yesterday afternoon after it had a good start in the dry grass and brush just off the right of way of the new highway. The suppression crew and helicopter from the Truckee District of the Tahoe National Forest responded to a call but the fire was controlled with a small loss when they arrived.

HUNTERS PAY \$105 EACH ON FIRE COUNT

Four hunters have forfeited bail of \$105 each in the Truckee District of the Tahoe National Forest for leaving unattended camp fires.

They are Lloyd Bitters of La Mirada, Joseph Calderon of North Sacramento, Frank Gardenshire of Truckee and Charles Roberts of Napa. In addition, Irvin Lund forfeited \$105 bail, the forest service reported, on a charge of starting a fire accidentally.

SERVICE OFFICER

The Nevada County service officer will be in Truckee, on Friday, October 20, between the hours of 10 a. m. and 3. Anyone desiring to avail themselves of these services may do so at the office of Judge Posten W. Wilson, Justice Court, during the hours indicated.

Last Rites Will Be On Saturday For Local School Aide

The entire community was deeply shocked and saddened to learn of the death Wednesday morning of Mrs. Charlotte Cooper Patnoudé, 45, district nurse for the Tahoe Truckee Unified School District for the past nine years.

Mrs. Patnoudé, well known throughout the region, suffered an attack Tuesday while attending her duties at the Tahoe Lake School in Tahoe City. She was rushed to a Reno hospital for specialized treatment but expired early Wednesday.

A native of Burlington, Iowa, the deceased was born October 31, 1915. She received her training in Nazareth School of Nursing at Kalamazoo, Michigan and obtained her public health certificate at the University of Hawaii and her master's degree at the University of Nevada.

She was married September 19, 1941 and spent much time traveling with her husband, who was in the navy.

In 1952 she came to Truckee to assume the duties of health nurse in the school where her activities were widely acclaimed. During summer months she served as nurse for local doctors.

Surviving besides her husband, Preston Patnoudé, a Truckee deputy sheriff and two daughters, Carol and Ellen, both of Truckee; her mother, Mrs. Caroline Cooper, 87, who is visiting with her daughter's family from her home at Burlington, Iowa; five sisters, Harriet Anderson of Iowa; Lorraine Rankin of Kalamazoo; Carol Darrah and Stella Riesbeck of Reno; Blanche Kerby of Iowa and one brother, Frank Cooper of Kalamazoo.

Mass will be conducted at the Assumption Catholic Church in Truckee Saturday morning at 10 o'clock, following the rosary at the Truckee Colonial Mortuary at 8 p. m. Friday. Burial will be in the Truckee cemetery.

Her legion of friends will miss Mrs. Patnoudé and will join in expressing sincere sympathy to her family.

Special Meet Of Board Is Called

Several matters of interest are on the agenda for a special meeting of the governing board of the Tahoe Truckee Unified School district set for 8 p. m., October 24 at the administration building in Truckee.

Another discussion of the expansion proposal will be held and the architect will present preliminary plans for enlarging of existing facilities. A plan will also be discussed relative to installing a gasoline tank at Kings Beach for use by buses.

The board will take under advisement a program for mentally retarded children in the district and a plan for providing them with classes.

A skating and skiing program, proposed at the last meeting will be taken up, Superintendent John Corbin announced.

IMMUNIZATION CLINIC SET FOR TOMORROW

The Nevada County Health Department announced that an immunization clinic will be held Friday, October 27, at the old elementary school, Truckee, from 12 noon until 1:30 p. m.

Elimination and prevention of infectious disease is the major goal of public health and modern medicine. Immunization is one of the methods used to help accomplish this goal.

Protection against polio, diphtheria, whooping cough, tetanus and smallpox is available.

FISH GAME GROUP TO STUDY REGULATIONS

California's Fish and Game Commission will hold a special public meeting November 2 in Sacramento to review proposed angling regulation changes for 1962 and determine what changes the commission intends to adopt at a December 8 meeting also to be held in Sacramento.

The November 2 meeting will convene at 10 a. m. in Room 4061 of the Employment Bldg., 722 Capitol Avenue.

YOUNG BOYS HELD WITH STOLEN AUTO

Two Sacramento boys, one 15 and the other 14, were apprehended by State Patrolman Ray Riggs at 4:30 a. m. Wednesday after they wrecked a car stolen from Elk Grove. The two boys abandoned the car after it overturned near Floriston and were walking on the highway when overtaken by the patrolman.

FIRST FLIGHT

Capt. Gene Barton of Georgia wrote from Chicago that he had a recent inaugural Convair 880 Jet Airliner flight with a number of Bank of America officials from the bay area, including friends of Yell Nobles, a former local bank manager.

SUMMIT SCENE

By FRAN COUILLARD

SCENE 4: As we drive along present Highway 40 our attention is constantly pulled upward to gaze at the maze of veins that pulse across the face of our mountains. The perspective reminds us of a miniature panorama—a magnificent background for the Summit Scene. Huge Yaks, thundering Caterpillars, titan tractors, earth moving equipment with the jaws of a giant—all shrink into tiny, toy machines as they climb up precipices and make breath taking dizzy dives into the crevices of the Sierra. Sheer granite cliffs, once camouflaged by the soft green of the native pine, show their teeth in their nakedness and smilingly defy the toys on wheels. Doggedly the massive machinery

bore into the seemingly unremovable mass as we sit below and watch the drama in the heavens. And as we watch that point near stately Castle Peak—nature's Castle in the Air—where two construction outfits will ultimately meet headon, we are reminded of the story of the Golden Spike. Aren't you? And we think of that race long ago where the Union Pacific labored west and the Central Pacific (now the "friendly one") labored east and met headon at Promontory Point in Utah where the ceremony of the Golden Spike was performed. And what think you of the idea? Think we can cajole Guy F. Atkinson and Briggs, Dennis and Conley into a Golden Spike? And what think you of naming a lookout point on this new Highway In the Sky "Sherritt Point"? Jim Sherritt and I took a ride, one day, over his domain. As we talked, whilst he pointed out where the Highway rode over his land he told me of a "drawing" that he made in the snow showing state engineers where this same new Highway should go. And do you know of an older resident in the area by dint of birthright? Grandfather, father and now son? Roots don't grow any deeper. We're going to tell you a longer story about Jim Sherritt one of these days as he relives the past

from the old Sherritt house in Truckee up to the present time. So let's think about a Golden Spike and a Sherritt point—and if the Truckee C. of C. wants a civic program—well, the ideas are already in print.

OLD TIMER'S DEPARTMENT: (Sherritt's deal should have been incorporated in this). Remember Gratz Powers. We remember him 20 years ago—when we "drafted" him to wash dishes so that he might be able to afford to ski on weekends. Fabulous Gratz. A funny little guy he was in those days. Strictly the life of the party with a wonderful sense of humor and a down hill racer from the word go. Had the ski school at the Ski Ranch when Bud and Madyon Walton held that baliwick. Skiing was his life. It was natural that he gravitate toward the commercial world of skiing. Gratz dropped in the other evening to amuse us (with antics and facial expressions and body motions) with his telling of his trip to Japan from which he has just returned. Gratz, now a part of Whitlesey and Powers, Inc. is in the import business and his sojourn in Japan was to further perfect and improve designing in Japanese metal skis. After 25,000 miles of traveling—we do believe that he didn't miss a "trick" on

his whole trip. At 2 a. m. we bade him good night, reluctantly, because our construction crew needed to be awakened only a few hours from that time but we certainly enjoyed his version of his wonderful trip—even to his experience in a typhoon. Japan really put on a show for "our boy." Just in finishing up the Gratz saga—say that his import business has offices in New York, Chicago, Seattle and his own little town of Hayward.

And e'en tho' she is young Pam Oliver must be classified in the O. T.'s Department—because we remember Pam when she had braces on her teeth. So what now? Jam just spent her honeymoon in the Griffith Oliver cabin here at Soda Springs with a tall, blondish good looking lad from Chicago. We are sorry that we didn't get to interview Pam in this zenith of her present happiness—but we did learn that she is Chicago-bound with her new husband—and we all wish her much, much happiness.

And in the Old Timers bracket—who should pop in but Eve Donadio. Eve of Sky Lodge at Tahoe City who spent many a year at Soda Springs when she and Tony were part owners of Donner Summit Lodge. Eve, with Dorothy Kornstien (who is a New Timer in the general area) had been to Sacramento on a shopping spree and we were delighted to see this old friend who lives but an hour away—and we haven't had time to call on in this busy, busy summer. And in the NEW TIMER'S DEPARTMENT. Don't know quite how to classify this for part is old timers and part is new timers—but as we are about to introduce newcomers we believe that his classification is in order.

When we mentioned the Zorich cocktail party (which we, as usual reported wrong—as Barbara sent out 40 invitations instead of 150—we mentioned that this was jet propulsion for the mountain social season.

This gorgeous affair was followed up by the farewell party given to Henrietta and George Gangler of Donner Summit Lodge last Sat-

urday evening, (these two classified as new old timers). The party, given in their honor, was hosted by Milton Judd—Donner's chief par excellence. Think we counted about 125 at this shindig. And it was a wonderful party. Don't know how Milton managed to put out such a grand dinner for all of the guests and still walk around amongst them, greet them, seat them and carry out his complete roll of host—but he did, he did. And "Henry" and George will leave for Buena Park southern California shortly to take over their new apartment house which isn't too far from Knott's Berry Farm—leaving D. S. L.

NEWCOMERS: Meet Gene and Lois Samuelson and their two youngsters who will attend the Donner Trail School before too long a time—three and five and a boy and a girl. Gene tells us that he was a service station owner in Garden Grove and before that a motel operator which has prepared him for the task of handling beautiful D. S. L. These two are in their 30's and have a lot of

L. R. deGallery, your Telephone Manager in Tahoe City

WHAT'S DOING

It is the pleasure of Pacific Telephone to introduce a man of many talents, Dick Delaney. Dick serves as one of our supplymen in the Lake Area. His job consists of keeping enough equipment on hand to service all telephone Customers as well as keeping mail between the offices running smooth. This keeps him busy but Dick enjoys being active as can be seen by his volunteer work with the Civil Air Patrol as Air Observer. As Air Observer he participates in all types of rescue work from air searches for missing planes to ground rescue work.

Recently Dick's group conducted an air search for a plane which crashed with five people aboard. They found it within a few hours, which is fast and efficient work. Dick's lovely wife, Jan, and little daughter, Koryn are proud of his work with C. A. P. and with good reason. He takes his added job seriously and devotes a great deal of time to it. Dick is just another example of how Pacific Telephone Employees help to serve their community on and off the job.

Closed-circuit educational TV is a part of regular classwork for children in many schools today.

Telephone people help make this possible by providing special channels through which closed-circuit television is brought into classrooms.

Phone people offer many such communication services today. It's part of the job of meeting your communication needs and those

of schools, business and government.

These unusual-looking telephones were tried out in homes like yours last year. They were being tested as part of our research in developing new phones.

The families tried first one and then the other for several weeks, and then told us what they liked and didn't like. In this way they helped us learn what ideas you, our customers, would prefer in future telephones.

**DONNER
DOINGS**

By VIRGINIA O'BEAR

The fish are biting again at Donner Lake because I saw six beautiful Kokanee caught last Sunday by Jack Rump and Ivan Richardson of Vallejo. They brought their boat and fished about 50 feet from shore and even though some of the Kokanee are spawning, the ones they caught were nice and firm. I guess our small fry will be getting out his fishing pole again, the season closes soon.

Jim Sampson brought out a copy of the new by-laws of the Truckee Donner Horsemen's Association this week. Jim says they are in the process of being recorded and that they have a blanket insurance policy that will cover all riders and the association. The directors are busy lining up authentic old time wagons to bring over the original Emigrant Trail to tie in with the opening of the new museum next spring. Many out of town groups have written expressing a desire to participate in this celebration and Jim said every inquiry will be answered with full information concerning

the trip and activities planned. Arline Johnson is planning to enter her Novato Thunderbirds in their full Indian dress regalia. It should be quite spectacular and an event I will try to attend.

If you want to find a nice peaceful spot to take your family some Sunday, try the Summit Lake area. You go up the new access road at the west end of Donner Lake and the view just takes your breath away. Be sure to take your camera because you can really get some gorgeous shots. The fish were jumping up there Sunday when we went and we saw deer tracks all around the lake where they come down for water. The road is in good shape also and you do not need a jeep to get there. It is interesting to see how they are coming along with the new freeway and a lot of work is going on around Westlake, too. It's just like sitting on top of the world, up there.

Jean and Dick Walker took off for a few days and visited Dick's folks in Healdsburg. The Dr. Robert Affeldt family vacations in Colorado, the Dr. Douglas Brodie family took off Monday for two weeks in Minnesota, and the Wisers are still in Montana on a hunting trip. This is an ideal time of year for vacationing and the Roy Slates are away with daughter Joyce managing the motel.

I just got the word that there will be a dance studio at Donner Lake starting the first week of November. The Pankokes have just about finished that rumpus room they are building and Diane Pankoke will assist Mrs. Trotter of Reno each week with her Estro Trotter School of Dance right here at Donner Lake. A lot of youngsters have inquired already and so far there are four ready to go. Anyone interested in having dance instruction, young or old, call Martha at LUther 7-3076. Watch for further details in the Sierra Sun soon.

Members of the Auxiliary of the Donner Lake Volunteer Fire Department are being called this week to attend the regular dinner meeting to be held in the basement of the Church of the Mountains in Truckee. It is set for 7:30 this Thursday evening, October 19. Ladies of the W.S.C.S. are preparing the dinner and a very interesting meeting will follow the meal. Many things are being planned for the next few months and a movie on fire protection in the home will probably be shown at the November meeting. The officers' meeting was held at Donner Lake Lodge Monday evening with cake and coffee served at the conclusion of the very interesting suggestions for fun and work for the future.

The firemen of the Donner Lake Volunteer Fire Department will meet at the fire house next Thursday, October 26. They have been having regular meetings the second Tuesday and fourth Thursday of each month. The firemen have been standing by with the large tanker for forestry lately as several fires were reported in the area but quickly extinguished. It is good to see the helicopter on patrol and everytime there is smoke around Donner, the children all run out to see the little "bug" flying low to check.

Going To Hawaii—
Mrs. Ernest Fleming and sons of Reno, left to establish their home in Hawaii, following the death of Fleming several months ago. He had attended schools here and was the nephew of Mrs. O. J. Rablin.

**COUNTY RECEIVES ITS
SHARE OF SALES TAX**

SACRAMENTO — (CNS) — Nevada County and its cities received a total of \$68,792 in local sales and use tax distributions from the state board of equalization during August and September, the board announced.

This included \$43,391 received by the unincorporated area of the county.

The taxes distributed were collected in the April-June quarter. Beginning in that quarter, the board contracted to administer local sales taxes for Plumas County, which became the 57th county to enter the program. This left only Siskiyou County and its nine cities outside the program but five of these cities administer their own sales tax.

**DRIVERS CAUTIONED
AS SCHOOL ARE OPEN**

The traditional fall sound of school bells signals more than the return to class for students; it also cautions drivers to take that extra bit of care which could mean the difference between life and death for a child, said Lieutenant O. P. Ledford, commander of the California Highway Patrol's Truckee substation.

"Drivers may have become careless during summer months, breezing through school zones which were empty during vacation. Now that classes have started again, youngsters will be crossing streets near schools, children may dart unexpectedly from the playground, and bicyclists will be more numerous.

"Drivers should remember two points," the lieutenant said. "First, the speed limit in school zones is 25 miles per hour. Violation of that limit reduces your ability to cope with an emergency situation if it arises.

"Second, youngsters frequently rush onto or across a street without thinking. You may have to 'think' for the child. Be prepared for his unexpected movements.

Tahoe Forest Hospital received \$1,000 from the Women's Club of North Tahoe at their meeting Monday at the Crystal Bay Club. The check was presented to hospital auxiliary members and representative, Bern May, by club president, Pearl Kientz. Money was raised by the benefit given at the North Shore Club Hotel in September, the Gay 90's costume

ball under the chairmanship of Emmajean Hume and co-chairmanship of Florence Murphy and their prize committee, Jeri Rayburn, Ruby Faulkner, Theresa Sutton and Pearl Kientz, tickets and Bethel Van Tassel, publicity.

Hospital administrator, John McGlade, told the club that the money would be used for the purchase of a Stryker frame and an alternating pressure mattress. Both items have been badly needed and waited for some time.

The resignation of Sophie Levra of Kings Beach as vice president was regrettably accepted. Alice Hall of Kings Beach was elected

to fill the vacancy. Guest of Ella Rae Fulton at the meeting was Beth Smith of Kings Beach.

Time and place of the November meeting will be announced.

Kings Beach street scene. "Sir Walter Raleigh" Bob Love with assistance from master of the sweepstakes Jack Masters playing the role to the hilt helping Beverly Newell over the "hot" spots of the new highway.

Bob and Mae Critchley have returned to San Francisco from their Tahoe Vista home. Mae has en-

tered Presbyterian (old Stanford) Hospital in San Francisco for major surgery on her back. Second time around for Mae having had back surgery three years ago. Hope this will cure the trouble. Mae anticipates a month's rest. Good luck, Mae.

Dean and George Phillips of Tahoe Vista, Sandy Beach, are off to the American Hotel Convention at Santa Barbara, for three days. From Santa Barbara, to Los Angeles where they will meet George and Iris Alerio, Tahoe Vista summer residents, for a fun reunion.

Tom and Hazel James of Tahoe Vista, attended the California State American Hotel convention at Santa Barbara. Met George and Dean Phillips there and attended the convention together. Tom and Hazel also visited Sacramento and San Francisco along the way.

Mildred Beesley of Beesley's Resort, Tahoe Vista, has returned to her home in Torrance for the winter. Miss you.

Helen and Bill Elliott of Rustic Resort, Tahoe Vista, were vacationers (?) to Los Angeles. Illness in the family in Los Angeles

as well as business commitments kept the Elliotts busy. Helen recovered from a bad sprained ankle, therefore walking and shopping were somewhat curtailed. Returned by way of San Francisco.

Mrs. Grace Moe and son Bruce of San Francisco are visiting son Hal, and his wife, Barbara, at Kings Beach.

Frank and Fern James of Tahoe Vista have returned to Inglewood for the winter. Report a wonderful trip to Colorado last month.

TAHOE BRIEFS

(Continued from Page 5)

Frank and Minnie Wagner of Kings Beach. Celebrated on September 10 at Grants Pass, Oregon while guests of Carol and Frances Howard with a Chinese dinner—the 31st.

Virginia Casella of Kings Beach was a San Mateo visitor last Wednesday. Also attended a Nutti-Bio meeting in San Francisco where she was guest of honor and awarded a pin for outstanding service in the Lake Tahoe area for bringing the story of better health through nutrition.

Following the program, Virginia gave an impromptu piano recital in appreciation.

Home from the baseball wars—Red Sox and Boston—is Jackie Jensen. Crystal Bay is home with Zoe Ann Olsen-Jensen and children Jan, Jon and Jay. Welcome home, Jackie. Busy golfing and hunting.

Carrie Mercer of Crystal Bay has returned home after a Las Vegas visit to the Grobers.

"Snowball", the cat, gave Doro-

they Mercer and Zoe Ann Jensen a good excuse for an excursion to Las Vegas. Snowball was lone some for Maggie and Wingy Grober, the girls needed a vacation, the Grobers company, and George and June Mason live there, and so...

The oculist was the reason for Madelyn Kammerers visit to Marysville from Kings Beach last week.

Grace Hume is confined to California Hospital, 1414 South Hope Street, Los Angeles, following two major operations. Jimmy and Emmajean Hume of Crystal Bay rushed to Los Angeles to nurse their aunt during her recuperation. Get well soon, Grace.

Her many friends will be happy to know—Marjorie da Costa, formerly of Tahoe Vista and Crystal Bay, is once again located in Reno. Also has a new position—administrative assistant to Mr. G. William Richards, executive director of the American Cancer Society, Nevada Division, Inc., 101 S. Arroyo Street, Reno. Congrats, Marj.

Rose and Fred Baker of Tahoe

Vista were Roseville visitors and guests of former Tahoe Vistas, Larry and Peg Ludlow and son, Denis. Report the Ludlows love their new home in Roseville.

Chuck Bergman, son of Ray and Barbara Bergman, and brother of Cookie, of Kings Beach, is home from Lackland, Texas Air Force Base. Chuck has a ten day leave before reporting to Vandenberg Air Force Base.

Happy anniversary on October 12, to Ray and Barbara Bergman who celebrated their 20th. Dinner celebration with Beverley Newell and Walton Prescott.

End of the season dinner and get-together was enjoyed by Jack Scott, Doug Ingram, Irene Kaiser and Mr. and Mrs. Baker at the Bakers home in Kings Beach.

Icey Laborde of Kings Beach who is hospitalized with broken back reports the cast is on. Fortunately it is winter—just like a blanket.

Report on Anne Ross of Kings Beach who is also hospitalized in Reno with a broken hip is that she is recuperating nicely.

Emery Nagy is a newcomer to Crystal Bay, Nevada. Welcome to Tahoe.

Congratulations and best wishes to the Randolphs. Married on October 26. Private Randolph is stationed at Hamilton Field and his bride is the former Joyce Ericson of Kings Beach.

Mickey Freeny of Oklahoma City is house-sitting Radovichs of Kings Beach. Understand they are on a Mexican cruise on their 32 foot yacht.

Dave Livingston and Ray Facha of Auburn are returning home after working on the new Truckee Sky-Way. When is the ribbon cutting and name christening? Name: courtesy Vivian McIntire, (Remember?)

American Association of Medical Assistants held a convention at Crystal Bay last week. Message from Wesley Hall, M. D. Reno, to a large gathering. This was the fifth such meeting and was October 13 to 15, theme was "Reaching for the Heights" and Barbara Savoy of Reno was convention hostess.

Joan Barlow, editor of Squibb's Nurse's Notes, was unable to attend the convention as hostess as scheduled. Was hospitalized instead—new son. Congratulations.

Ed and Jacquie Black of Incline Beach have returned from Las Vegas business trip.

Dave and Betty Solari and Johnny and Ruby Clackett of Kings Beach have returned home after a marvelous trip to Canada. Weather, traveling, and trip ideal.

Happy birthday to Ronda Brooksby on October 18.

Claude U. Shipley, civil defense director of Nevada, will speak on Civil Defense at the Thursday.

TAHOE BOY ON STAFF OF COLLEGE PAPER

Carolyn Williams, freshman journalism student from Auburn, has been named editor of the Sierra Junior College annual, the "Sierran" for 1961-62.

Miss Williams named her staff this week, choosing Carole Braly of Auburn as makeup editor, Gary Henry of Tahoe as photography editor, and Dan Hernandez of Rocklin and Dan Banderas of Auburn as sports co-editors.

PROTEST IS FILED IN LAKE CONTROVERSY

AL TAHOE — The Lake Tahoe Area Council has filed a protest against a proposal to modify quality standard requirements for the waters of Lake Tahoe.

The protest was filed with the California and Nevada Interstate Compact Commission.

It calls for maintenance of Lake Tahoe and tributary waters at a quality level "suitable for maintenance and enhancement of fishery resources; for recreational use, and as a source of domestic water supply without treatment of any kind other than simple chlorination."

MIKE ROBINSON TO PLAY AT COLLEGE

Former Tahoe Truckee High School athlete Mike Robinson has enrolled at Fresno State College for the 1961 fall semester.

Robinson, an infielder, is part of a bumper crop of freshmen baseball players. His brother, Craig, was a promising outfielder for Fresno State until arm trouble cut him down.

Fresno State will field a junior varsity baseball squad next spring, combining freshmen with varsity reserves. The JV schedule will include the cream of the San Joaquin Valley's junior college and high school squads.

Birthday Greetings—

Robert G. Leamon observed his birthday anniversary October 11 at a family party.

October 19 TPA meeting at the Kings Beach School, parents, TPA members, friends, guests are urged to attend this timely talk on civil defense in event of attack, bombing, or problems connected with emigrants, all problems important to the community—your community. Ron Mills is TPA president; Lila Gorinda, vice president; Alice Price, secretary; and Betty Rich, treasurer.

Happy birthdays to Jim Boatman and Elmer Morrish on October 21 and Cathy Barker on the 22nd.

Lake Tahoe-Sierra Chamber of Commerce board of directors will meet today for lunch at the Bear Pen restaurant at Squaw Valley.

Term expirations of directors is: September 30, 1962, William Briner, Selby Calkins, Robert Daneri, Thomas James; September 30, 1963, Florence Brown, William Elliott, Jimmy Kornstien, Bethel Van Tassel; September 30, 1964, Robert Fugazi, Carleton Konarske, H. E. McCoskey, Frank Vernon; September 30, 1965, W. E. Keller, Bill Ellison, Mrs. W. E. Poulsen, E. W. "Ted" Stollery.

Toastmistress Club will hold a meeting at 1 p. m. Friday, October 20 at the home of Bern May in Kings Beach, according to Marilyn Fugazi, club president.

Happy birthday, October 15 to Elston Garrow. Celebrated with dinner part at home.

Happy birthday to Karen Mally, Kings Beach, on October 6. To Bern Franklin, Karen's aunt, on October 13.

There will be services at the Kings Beach Community Methodist Church on Wednesday, October 25, at 1 p. m. to commemorate United Nations Day. Everyone is invited to attend according to Rev. Richard Fowler. Tea will be served after the services.

DETAILS OF DAMAGE SUIT FROM FIRE IS SHOWN IN REPORT

Briggs-Conley-Dennis, a joint venture, and J. W. Briggs, an individual, J. N. Conley, an individual, and G. D. Dennis & Sons, Inc. were named as defendants in a civil action filed on September 13, by the federal government in the United States District Court at Sacramento.

These defendants were charged with negligence in their conduct of highway construction burning operations which resulted in the disastrous Donner Ridge fire on August 20, 1960.

The contractors named as defendants have a \$742,104 contract with the state department of public works to relocate ten miles of State Highway 40 as a freeway over Donner Summit in Nevada County.

The suit, filed by Cecil F. Poole, United States Attorney for northern California and J. Harold Weise, Assistant United States Attorney, of San Francisco, asks for costs of suppression and damages incurred by the federal government in the amount of \$4,360,838.11.

In an alternative course of action the federal government seeks triple damages for \$13,082,514.33 of the highway builders for having "negligently conducted said burning operation in willful disregard of the terms of said burning permit" as provided for in the civil code of the State of California.

The fire burned over approximately 39,000 acres of national forest and private land. Smoke clouds darkened the skies of the Lake Tahoe Basin for days. Hundreds of fire fighters and all available equipment worked around the clock to establish final control lines. Burned power poles caused a temporary disruption of electrical service which blacked out Reno and the entire Lake Tahoe area.

The suit charges the burning

VISITORS TO SQUAW EXCEED LAST YEAR

More people are visiting Squaw Valley this year than when the 1960 Winter Olympics were held there.

The state division of beaches and parks announced a total of 857,405 had visited the mountain area as of August 26. At the same time last year, 813,925 had toured the valley.

Charles DeTurk, chief of the division of beaches and parks, said one reason the total is up is that the firm which operates the old Olympic facilities is bringing over-night conventions there.

BEE CARTOON GIVES LOCAL COURSE BOOST

Truckee's Shadow Valley Golf Course was given quite a boost in Sunday's Sacramento Bee when Jim Babcock's four-column cartoon appeared in the sports section.

The drawing shows the layout of the course, gives a brief description and highlights Orf DeLuca, the pro.

SALES TAX HIGHER IN NEVADA COUNTY

SACRAMENTO — (CNS) — Nevada County was one of 40 in the state with higher retail sales during the April-June quarter of this year than for the same period in 1960, with sales totaling \$6,420,000.

This produced \$192,000 in the state's 3 per cent sales tax and amounted to .11 per cent of the state's total. It showed a gain of 2.1 per cent from the same quarter a year ago.

Statewide, retail transactions in the second quarter were virtually the same as in 1960, although they were up \$166 million from the second quarter of 1959. Taxable sales totaled \$5,876,822,000.

Dealers in non-durable goods generally posted gains but dealers in durable goods continued to show losses.

NEVADA COUNTY TO SHARE USERS TAX

SACRAMENTO — (CNS) — Nevada County's share of September highway users taxes was \$27,150, State Controller Alan Cranston reported.

Cranston said the total taxes distributed to the state, cities and counties amounted to \$32,232,430, up 2.4 per cent from a year ago. Of this amount \$21,485 went to the state highway fund for expenditure on highways; \$7,735,137 to the counties and \$3,012,152 to the state highway fund for cities.

was in violation of terms of a permit issued by the U. S. Forest Service in behalf of the state division of forestry.

PROSSER DAM WILL BE COMPLETE IN JULY

WASHINGTON — Sen. Alan Bible, Nevada, said the Prosser Creek dam and reservoir a key part of the Washoe Project, will be completed next July.

Bible's announcement followed senate appropriations committee allocation of \$968,000 for finishing construction of the dam.

Reclamation officials told him storage waters will begin to be impounded this fall and that the reservoir will hold 30,000 acre feet of water.

The Prosser project, with flood control and recreation benefits, is being constructed with federal funds. It is the first dam on the Washoe Project authorized under legislation sponsored by Bible.

COUNTY POPULATION SHOWS MAJOR GAIN

SACRAMENTO — (CNS) — Nevada County had a total population of 22,000 on July 1, the state department of finance reported, a gain of 900 persons, or 4.3 per cent, during the previous 12 months. Total population for the state on July 1 was 16,445,000, up some 585,000 or 3.7 per cent from a year earlier.

The biggest relative increase was in Orange County, where a 10 per cent increase (72,000) was registered. Santa Barbara was up 8.5 per cent; Santa Clara and El Dorado, 7.3 each.

Four counties, Mendocino, Modoc, Plumas and Trinity, showed losses of population. Alpine, Inyo and Sierra gained less than 100 persons each.

Placer County was up to 59,800 for a gain of 3.8 per cent.

LICENSE PICTURES TO BE OUT TEMPORARILY

California motorists who desire to have their photos on drivers' licenses due for renewal in the last two months of 1961 are advised to apply for such renewals at department of motor vehicle offices before October 22.

Tom Bright, director of motor vehicles, issued the suggestion in announcing expiration of the state's contract with the Hollywood Blue Print Company of San Francisco, the firm which has supplied the photographs of license applicants to DMV since October 22, 1958.

The department is preparing to revise and improve its methods of photographing applicants.

DRIVERS' TRAINING STARTS AT SCHOOL

Tahoe Truckee High School is training teen-agers to become safe drivers again this year through its course in behind-the-wheel driver training.

The course consists of classroom study of traffic safety rules and sound driving practices as well as on-the-road supervised training in automobiles equipped with AAA dual controls.

School Principal Harold Drummond announces that Lloyd Hoofard and Tom Pendergast are the instructors for the class.

Each student receives a minimum of six hours of actual behind-the-wheel driving instruction. He must also complete a course in driver education in which he studies the physical laws of nature as well as the man-made laws governing the operation of a motor vehicle.

The California State Automobile Association points out that courses in driver education include the study of such subjects as speed, mass, friction and energy and thus supplement the increased emphasis being placed on the physical sciences. Also included in the course are such topics as sound traffic practices, the psychology of

INCREASED TRAFFIC NOTED BY CAPTAIN

From January through August of this year, the number of cars on U. S. Highway 40 freeway from Sacramento to Reno has increased 31 per cent.

Captain R. B. Langer, area commander of the Auburn office of the California Highway Patrol, made this statement in an address before the Roseville Chamber of Commerce this week, in pointing up the costs involved in rendering essential traffic services.

Today
we painted
some music

It may seem unusual that these youngsters are painting "by ear"... turning music from the classroom radio into colorful pictures. But this is the kind of creativeness the Standard School Broadcast inspires.

Currently, the program's theme is "Music—Passport to the World." Using our listening guide, teachers relate music to geography, history, art, folklore, literature.

This helps children gain insight into the life and culture of the peoples of the world. It leads to better and quicker understanding of both the music and the other studies.

By playing and dramatizing all types of music—from symphony to jazz, Thailand dances to Broadway hits, the program adds a new, delightful dimension to learning.

We started this program 33 years ago, never dreaming our listening family would grow to include 2½ million children in classrooms. Now countless adults, too, have discovered how entertaining and informative the broadcasts are at home.

If you'd like to know why the program has such wide appeal, try tuning in on Thursdays. We think you will enjoy it, too.

plans for their immediate future as newcomers on the mountain. They bring with them Forrest Werner as manager. Forrest also has had experience in management. The crew at D. S. L. will be retained intact so your old times will still be on hand to greet you whilst you will be introduced to our newcomers—Gene and Lois.

Among the throng glimpsed Art and Marg Judd from Yuba City—and Eve and Ang' Besio—and Dr. Brody from Truckee and Ralph and Goldie Rowton from Quincy. And a lot of folks we didn't know and the same mountain crowd that we do know. And our gentlemen graced the party well suited and tied—whilst their gals were broad and mink tailed in the height of the modern mode. And it was a lovely, lovely party. And speaking of parties—and old

times. What are you doing about your costume for our October 28 Halloween party?

In view of the "mass parties"—it was nice to have a little "home body" party on Sunday evening. Youthful owner of the Soda Springs Lodge, Dorothy Cannon, thought she was concealing her natal date from her employees. But surreptitiously, Peg Travis baked a beautiful birthday cake within the confines of her coffee shop at the Soda Springs Lodge, the employees got together for a gift—and Dorothy was properly surprised by cake, gift, and the quiet esteem of her employees.

And as this is being pounded out on the linotype machine in the office of the Sierra Sun—we will hold our monthly Community Club meeting which—time forbidding its report—we will clue you in on our next report.

TAHOE TRUCKEE SCHOOL NEWS

TAHOE LAKE SCHOOL
KINDERGARTEN: A color book made by the class was presented to Susie Kelley on her fifth birthday last week. Mrs. Kelley served the children cookies and ice cream.

The helpers for each day counting all the pupils in the class are Catherine Stark, Jennifer Pelletier, Susan Rukhala, Timothy Peterson, Janis Sampson, Dallas McPherson, Patricia Johns and Juliann Shaver.

FIRST GRADE: This week the following students made stars on their work papers: Karen Read, Patrick Bechdolt, Patti Tilton, Kim Byers, Teddy Bull, Lynn Cordone, Katie Long and Sonya Kimball.

SECOND GRADE: Scott Jorgensen is our newly elected president and Susan Lewis is our secretary. Nancy Kelley, David Kahn, Robbie Easton and Karen Mullen have received "excellents" in their reading and phonics work for the week.

THIRD GRADE: The newly elected officers for the third grade are: David Thomson, president;

Michele Legrad, vice president; Kevin Kehoe and Marlene Lisle, team captains; Paul Corona and Sherry Freeland, host and hostess.

FOURTH GRADE: The fourth grade climaxed their unit on plants and trees with a forest service jamboree or talks and films on conservation presented by Mr. Peterson of Truckee.

FIFTH GRADE: The following children received "A's" in this week's spelling tests: Sands, Hall, Jeni Lee, Jeri Peterson, Camille Shirley, Scotty Cannon, Victor Kelley, Denise Kimball, Kathy Mockaitis, Greg Pyle, Steve Ransome and Dennis Scoville.

FOURTH AND FIFTH GRADE COMBINATION: Those who received A's on the science test were Nikki Ballenger, Mike Alves, Jimmy Banta, Shirley Gratner and Jim Orr.

Our newly-elected class officers are: president, Dennis Taylor; vice president, Mike Cannon; secretary, Cheryl Bechdolt.

Receiving A's on the arithmetic test this week were Nikki Ballenger, Sharon Christensen, Mark Davis, Jeanne Jones, Patty Northrop and Dennis Taylor.

SIXTH GRADE: Those who made A's in the reading test Friday were: Bro Shontz, Tommy Hoff, Breezie Cross, Ann Starratt, Barbara Nielsen, Dianne McBride, Julie Hauserman and Tabor Griswold.

Those who made A's in reasoning in the arithmetic test were: Sara Allman, Anna Marie Connors, Joan Duttweiler, Tabor Griswold, Julie Hauserman, Dianne McBride, Barbara Nielsen, Suzanne Wertz, Michael Keechler, Erik Henrikson and Breezie Cross.

A's in science were made by: Ann Starratt, Barbara Nielsen, Dianne McBride, Janet Jorgensen, Joan Duttweiler, Judy Detzler, Anna Marie Connors, Pam Bradley, Tommy Hoff, Breezie Cross. **SEVENTH GRADE:** A's in last week's arithmetic test were earned by: Jon Caulkett, Ernie Marier, Leigh Swigort and Sandy Woods. B's were made by: Davalene Alves, John Carnell, Tad Hall, Susan Hauserman, Dick Pomin, Marty Spitsen, Ralph Stromgren and Paul Sullivan.

EIGHTH GRADE: Perfect papers in arithmetic last Friday were done by: Roger Kahn, Julie Bechdolt, Cathy Connors, Ann Duttweiler and Benny Keechler.

Victors in the panel of experts for history were: Roger Kahn and Cheryl Flory; for civics: Brian Mullen and Kai Smith.

TRUCKEE ELEMENTARY
KINDERGARTEN: Two new pupils, Ninie Phipps and Margaret Kuttel, joined our class last week. Mrs. J. L. Houlgate and Mrs. Derrold Daly have volunteered to

act as our room mothers this year. **FIRST GRADE:** Jimmy Kenyon and Vickie Smith had birthdays recently.

The class now numbers 29 students. Ella Mae House recently moved to Westminster, California.

EIGHTH GRADE—Mrs. Drummond: This week Mrs. Drummond's class had a social studies test. The following received A's: Diana Pankoke and Bunny Board. Julie Knoff and Lorraine Davis received A's.

Our new students are Phyllis Hunt and Donna Beasley.

Both 8th grades are having a Halloween party on Friday, October 27 from 8 to 11 p. m.

EIGHTH GRADE—Mrs. Roberson: The eighth grade held an election of class officers. Those

elected were: president, Laurel Mason; vice president, Barbara Lyddane; secretary, Barbara McCallen; treasurer, Chuck O'Malley; sergeant-at-arms, John Besio. We also had an arithmetic test and Julie Knoff was the only one who received an A.

This year the eighth grade has three teachers, Mrs. Roberson, Mrs. Drummond and Mr. Dean.

DONNER TRAIL SCHOOL

PRIMARY ROOM: Our room is studying about simple machines. We have learned about ramps, wheels and levers. Last week we took a walk around our new building to see what simple machines the men were using. We drew pictures of the machines we saw.

Diana Morey had her fifth birthday last week and the kindergartners went to a party at her house. They enjoyed it very much.

GRADES 3-6: The third grade has moved into our room so both classes are more the same size.

Jimmy Beasley is a new third grader who came from Sparks, Nevada. His father is taking Mr. De Witt's place. Dianne De Witt did move this last week, to San Jose.

KINGS BEACH SCHOOL

KINDERGARTEN: The Kings Beach kindergarten would again like to wish a very "happy birthday" to Teresa Ferrari. Teresa was five years old on October 13. The morning class celebrated with cupcakes and milk.

Room captains this week were: Judy Conway, Buddy Bitler, Terry Korson, Corky Jenkins, Kathy Hoff, Kenneth Anderson, Suzanne Cole and Patrick Stipkovich.

SECOND GRADE: Jeff Bracy, Jackie Biggs and Colin Christensen brought cookies and graham crackers to share with our class during mid-morning milk period.

Chris and George, our bus drivers, talked to us on bus safety.

THIRD GRADE: On a timed test on 100 arithmetic combinations Martha Pope had a perfect score. Stephen Burghardt brought a piece of volcanic rock to display to the class during our science period.

Our perfect spellers numbered 13 again this week including: Becky Anderson, Billy Brehler, Stephen Burghardt, Mark Cole, Jerry Elliott, Lynann Fugazi, Charles Hooper, Cindy Lance, Wynn Manning, Cyd Moore, Kristi Plunkett, Martha Pope and Nancy Tiller.

THIRD GRADE: This week we had some very interesting science demonstrations by the following students: Craig Watson, Jaime Estrade, Susan Leon, Margaret McDonald.

We have been studying about the different types of homes used (Continued on Page 9)

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse,
Truckee.
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Salvation is attained through
spiritual awakening, growth, and
progress. This is a theme of the
lesson-sermon entitled "Probation
After Death" which will be pre-
sented at Christian Science
churches Sunday.
From John (5) will be read these
words of Christ Jesus: "Verily,
verily, I say unto you, He that
heareth my word, and believeth
on him that sent me, hath ever-
lasting life, and shall not come
into condemnation; but is passed
from death unto life."
One of the citations from "Sci-
ence and Health with Key to the
Scriptures" by Mary Baker Eddy
states: "Universal salvation rests
on progression and probation, and
is unattainable without them" (p.
291).

The Golden Text is from 1 Co-
rinthians (6): "God hath both
raised up the Lord, and will also
raise up us by his own power."

POST OFFICE GEARED FOR HOLIDAY MAIL

SAN FRANCISCO — Predicting
that the volume of Christmas mail
will be the largest in history and
even exceed estimates made ear-
lier this year, the San Francisco
Region of the post office depart-
ment has already been geared for
the 1961 holiday rush, Raymond
R. Holmquist, regional director,
announced.
"Since we are dependent upon
the cooperation of our patrons for
the efficient and fast handling of
Christmas mail," Holmquist said,
"the public should know we have
made our plans well in advance of
the rush season and that they can
be implemented at the proper
time."

Holmquist said all of the post-
masters in the region, which com-
prises the states of California, Ne-
vada and Hawaii and the islands
of the Pacific under U. S. man-
date, have been alerted to the
importance of making their
Christmas work program "effi-
cient, workable and available to
the patrons."

SAN LEANDRO MAN IS ON HIGHWAY BOARD

SACRAMENTO — Governor Ed-
mund G. Brown has announced
the appointment of Abraham
Kofman, publisher of the San
Leandro Morning News and Ala-
meda Times-Star to the California
highway commission.
Kofman succeeds John Purchio,
who has been named to the Ala-
meda County superior court
bench.
Kofman, 58, is a member and
former director of the California
Newspaper Publishers Associa-
tion. He and his wife, Sara, have
three sons: Morton, who is asso-
ciated with his father in the news-
paper business; Kenneth, a stu-
dent at Boalt law school; and Ste-
phen, who is in the savings and
loan business.

JURY FINDS EGG MAN GUILTY OF CHARGES

TAHOE CITY — Judge Robert Fugazi has suspended a 90 day sentence and placed Jay Paye of Nevada City under probation for a year following the latter's conviction in the Tahoe Judicial District Court of mislabeling eggs which he delivered to local markets during August.

The trial was held before an all-women jury consisting of Helen G. Lund, Helen Christensen, Ellen Attardi, Ann E. Johnson, Mary P. Garrow and Margaret I. Nickelson, all of Tahoe City; Marian L. Mueller, Violet Marks and Sara Prouty, of Kings Beach; Beverly Ribal and Norma Wilson of Carnelian Bay and Bonnie P. Bates of Tahoe Vista.

Joe Dewald, deputy district attorney of Placer County, said Paye marked the large eggs as extra large. Paye was fined \$100 for each count, a total of \$200.

DANCING TO FEATURE HILL TOP PROGRAM

Gene Stark of Hill Top Lodge announced this week that starting Saturday, the Singing Cherokee and his Western All-Stars from Reno will be featured for the dances at the lodge.

The group played at a large crowd last Saturday at a dance sponsored by the Truckee Donner Horsemen's Association as a benefit for the new organization.

LICENSES ISSUED

Jack V. Arnold, 20, of Fernley, Nevada and Beverly A. Vieu, 22, of Donner Lake were issued a Nevada marriage license.

Larry A. Nicolai, 24, and Dolores Miles, 25, both of Crystal Bay applied for a marriage license in Nevada.

Charles D. Snowden, 28, and Virginia L. Peters, 18, both of Tahoe Vista were given a Nevada marriage license.

COLLEGE BOARD BUSY IN TRUCKEE MEETING

Acceptance of the \$2 million in new buildings at Sierra College expected this week, but college trustees last week voted to "invoke liquidating damages" against General Contractor Gordon Ball for all work days since August 10.

Under terms of the construction contract, Ball's Danville firm could have to pay up to \$100 per day for each day delay in final acceptance of the campus since the August 10 deadline for completion. Architect Gordon Stafford recommended the penalty assessment to college trustees meeting at Truckee high school last week.

Acceptance of the buildings as complete this week will allow Ball to collect all but 10 per cent of his contract fee.

Harold Welch, Tahoe Truckee trustee, was elected chairman of the board at the special "good-will" trustee meeting at Truckee.

In other action, Business Manager George Alman reported acceptance of oiling of a 120 car parking area for \$475 by the Kirschman Brothers of Rocklin.

Trustees voted to request \$12,000 in federal NDEA (National Defense act) matching funds for buying of science and math equipment for 1962-63.

The board approved the decision of nine Foresthill students and their parents to form a carpool for commuting to school daily in preference to riding a school bus.

Attending the meeting were Mr. and Mrs. Jack Felte and Gordon Moyer of Kings Beach and Max Williamson of Soda Springs.

There are 17 scientific and educational departments in the California Academy of Sciences in San Francisco's Golden Gate Park.

CHECKING STATION

(Continued From Page 1)

Spillner said, after holding a meeting in Nevada City regarding game violations in the county.

In every case of wilful crime, Berliner said, a request will be made to the judge to confiscate the illegally taken animal so that the violator will not be able to gain by his evading the rules that the other lawful hunters observe. When a game-hog or violator gains his illegal activity, he is stealing directly from the people of the state, and unless he is severely punished when caught there will be no reason for him to stop operating, he said.

Warden Spillner stated that the cooperation from the justice court at Truckee has been excellent, and hopes that this unity of purpose will help discourage the very small number of hunters who often make it difficult for the great majority who obey the law.

FORMER TEACHER IS HELD ON CHARGES

NEVADA CITY — John Richard Hampf, former Truckee school teacher, arrested earlier this month on a morals charge had his case continued until 2 p. m. Friday to allow counsel, attorney Marco Zannick of Sacramento, to prepare his case.

District Attorney Harold Berliner advised the court that a second charge was filed against Hampf. Hampf waived preliminary hearings on both charges. He was released on \$2,625 bail in order to attend to financial affairs.

Tophams From Tiburon — Mr. and Mrs. Wellman Topham of Tiburon visited Connie Kammerer, her sister while vacationing briefly at Chamberlands, Lake Tahoe.

EIGHT BABIES BORN AT LOCAL HOSPITAL

Eight babies were born in Tahoe Forest Hospital during the past week, including one set of twin girls on October 14 for Mr. and Mrs. Robert Warren Rogers of Truckee. The oldest, by 13 minutes was Deborah Irene who tipped the scales at 5 pounds, 7 ounces. Her younger sister, Beverly Eileen was exactly one pound heavier.

Preceding them on October 12 was Lorre Michelle, daughter of Mr. and Mrs. John Riley Nickelson of Tahoe City. Lorre's first weight was lacking a half ounce of seven pounds.

Mr. and Mrs. James Joseph Graham of Squaw Valley gave their son the names of James Jay upon arrival October 13. His first weight was 6 pounds, 7 ounces.

Sigurd Erik was welcomed by his parents, Mr. and Mrs. Hans Osterud of Tahoe City on October 15. The registered weight was 7 pounds, 3 1/2 ounces.

Mr. and Mrs. Richard E. Henderson of Kings Beach became the parents of a son, October 17. The child's given names were not learned but his first weight was 7 pounds, 9 1/2 ounces.

Margaret Mary greeted her parents, Mr. and Mrs. James Brockelsby of Kings Beach, upon her arrival in the hospital on October 17. The little girl's weight was noted as 8 pounds, 4 1/2 ounces.

Yesterday morning, October 18, Mr. and Mrs. Billy Watson of Kings Beach became the parents of a son whose registered weight was 8 pounds, 12 1/2 ounces. The child's first names were not learned.

ANCIENT PAPER HAS INTEREST IN PRICES

The wind blows strange things along the main street, but an item of unusual interest found itself deposited in Gautsche's Standard Station this week in the form of a section of the Sacramento Bee of July, 1918.

It was interesting to note some of the news reports and scan the ads. For instance a Sacramento furniture store was selling beds at \$8.35, while hammocks were listed at \$3.50, with easy payment terms offered.

A dentist in the capital city was advertising gold crowns for \$4 and silver fillings for a \$1. Plates were as low as \$8.

Three full columns were devoted to the boys in the war.

The superior California news had seven births, three marriage licenses, one divorce and three deaths in its vital statistics.

SNOW SURVEY SHOWS DROUGHT CONDITION

Snow survey experts in Nevada agree that moderately or abnormally high snowfall will be needed this winter to combat drought conditions.

There is no enthusiastic look toward 1962 as the area's major reservoir, Lake Tahoe, will drop below its natural rim of 6223 feet above sea level, its lowest mark since the early 1930s.

Evaporation, it was feared, will lower the elevation during November and December. It will take an appreciable amount of snow melt water to bring the lake back to the rim level, let alone provide adequate 1962 storage.

MUCH PROPERTY IN COUNTY TAX FREE

SACRAMENTO — (CNS) — A total of \$1,785,000 in property will be exempt from taxation in Nevada County through various exemptions, the state board of equalization reported.

The exempt property included 33 churches, valued at \$176,000; a total of 12 welfare properties with a value of \$161,000; and property of 1,615 veterans, with a value of \$1,448,000, or an average of \$897.

The welfare exemption category includes hospitals, charitable properties, religious properties other than churches, and schools of less than collegiate grade.

PARTY TO BE HELD

A bingo party will be held Saturday evening, November 4 at 8 p. m. at the Parish Hall of the Catholic Church in Truckee. The public is invited so come, bring friends and enjoy the fun.

About 60 per cent of all baseball gloves sold in the United States in 1960 were imported from Japan.

CARD OF THANKS

Our sincere appreciation to all merchants of Truckee and Tahoe City for their liberal contribution to our benefit dance on Saturday night.

EXCHANGE OF LAND AT LAKE APPROVED

AUBURN — The exchange of 1,300 acres of federal forest for 761 acres of private land in the Lake Tahoe area of Placer County has been approved by the board of supervisors.

Forester Ted Niehaus said the 76 acres is near Blackwood Creek near Tahoe Pines and the 1,300 acres is about three miles north of Kings Beach.

Stockton Visitor — Mrs. Jack Wolert of Stockton joined her husband in Truckee during the lovely autumn weather. The couple divide their time between here and the valley.

TREE FALLS ON HOME OF TAHOE FAMILY

TAHOE CITY — The Frank Daft family of Tahoe City was evacuated from their home last week when a huge cedar tree crashed through the ceiling and narrowly missed Mrs. Daft who was resting on a davenport.

Others in the house at the time were their daughter, Debra, 6, and Mrs. Daft's sister, Linda Burns of San Francisco.

The tree snapped 15 feet above the ground and struck the building which was also used as Daft's office at Comstock Acres.

WOW--- HERE COMES MRS. SNOOTLY, THE SOCIETY LEADER

YES, MISS RITZ--- OUR EXCLUSIVE LADIES CLUB IS CONSIDERING YOU FOR MEMBERSHIP

OH, I'M HONORED, MRS. SNOOTLY

I'LL TAKE YOU TO THE CLUB SO THE OTHER LADIES CAN MEET YOU

I HOPE I'M MAKING A GOOD IMPRESSION

I'VE GOT TO CANCEL MY DATE TO MEET FRITZI

NO ANSWER--- SHE MUST HAVE JUST LEFT THE HOUSE

MAYBE I CAN CATCH HER--- SHE ALWAYS TAKES THE SAME ROUTE

OH, YOU SEE HER?--- PUT HER ON THE PHONE, JOE

CALL FOR YOU, MISS RITZ

ELLA CINDERS

by BILL CONSELMAN

IT WAS NICE OF PA TO VOLUNTEER TO DO THE COOKING WHILE WE GO SHOPPING!

I LIKE GETTING A DAY OFF, BUT I KNOW HE'LL GET EVERY POT AND PAN IN THE KITCHEN DIRTY!

MA AND ELLA WILL SURE BE SURPRISED WHEN THEY COME HOME AND FIND OUT WHAT WE'VE COOKED FOR DINNER!

DO THEY LIKE LIKE CHILI BEANS, MEXICAN STYLE?

OF COURSE! DOESN'T EVERYONE?

JUST A TOUCH TOO MUCH CHILI!

GET ME A BIGGER POT AND TWO CANS OF TOMATOES... AND SOME MORE BEANS!

ARMSTRONG 10-22

HOW DOES IT TASTE NOW?

A LITTLE WEAK... NEEDS MORE ONIONS, MEAT AND CHILI....

...AND GET ME ANOTHER POT!

LATER... HOW IS IT NOW... DOES IT NEED ANY-THING ELSE?

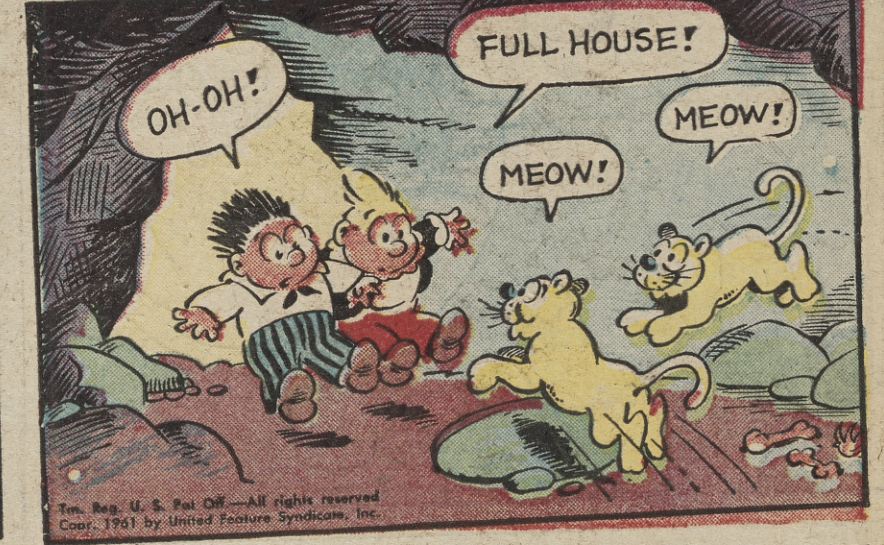

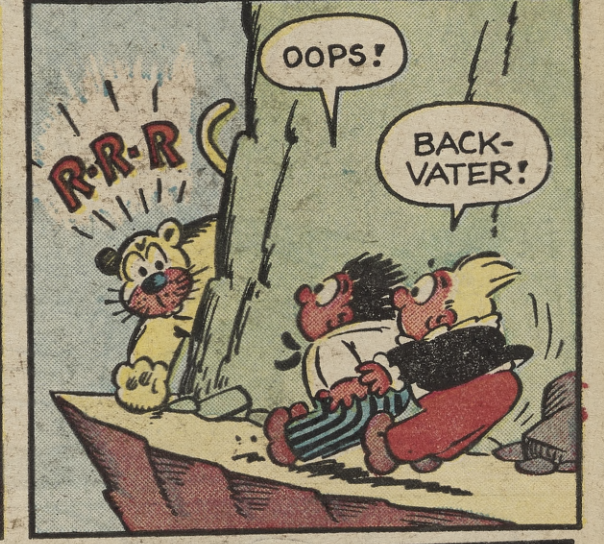

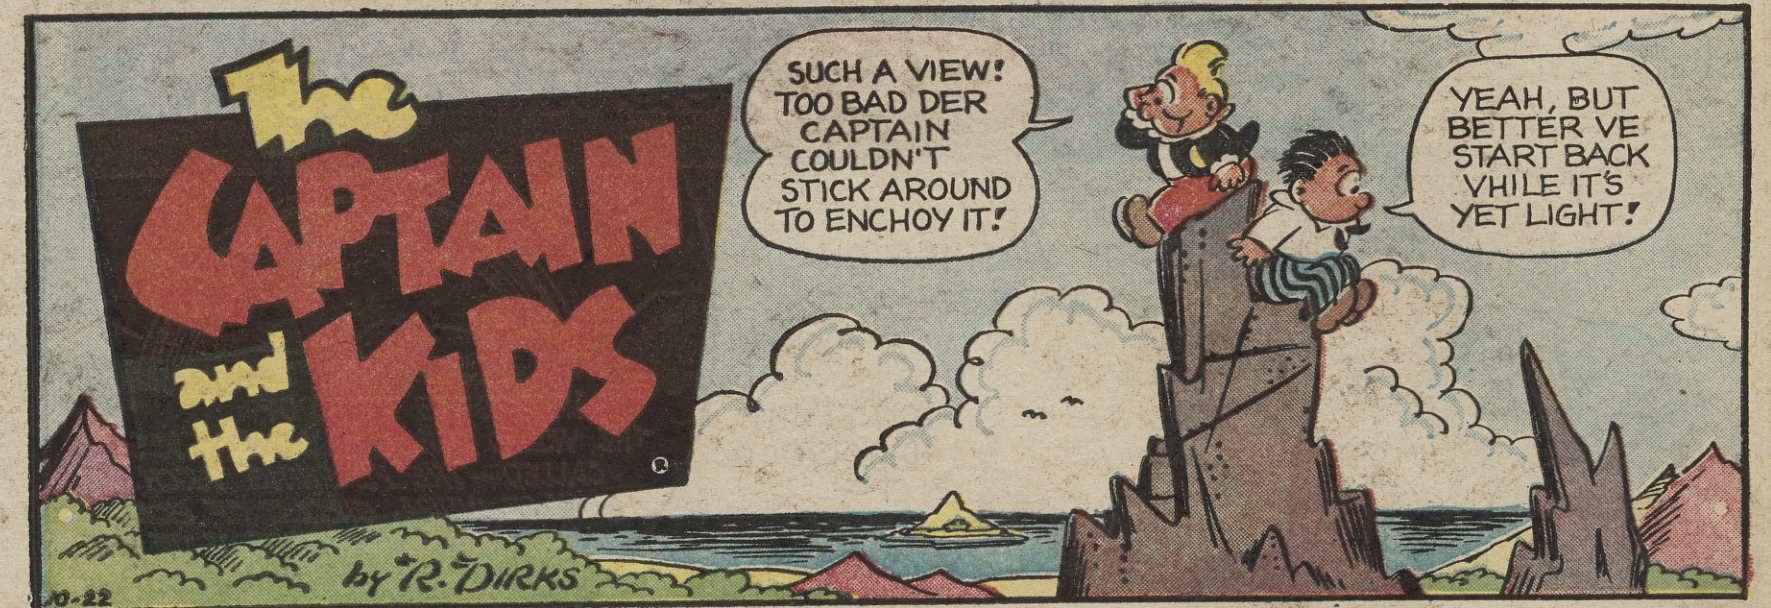

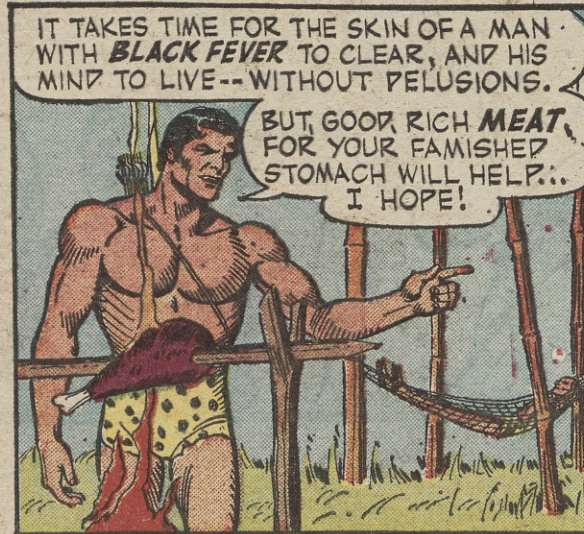

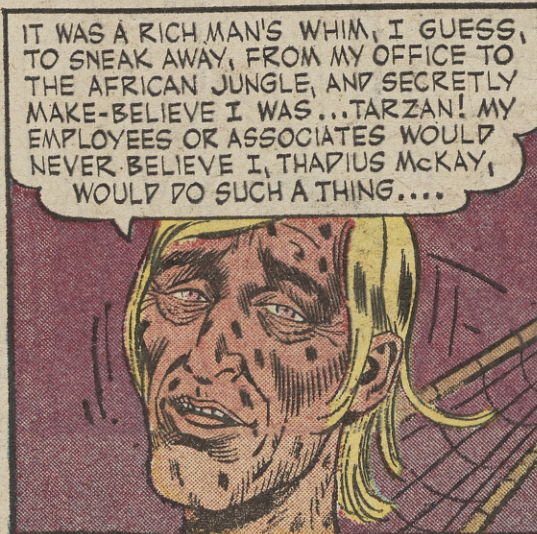

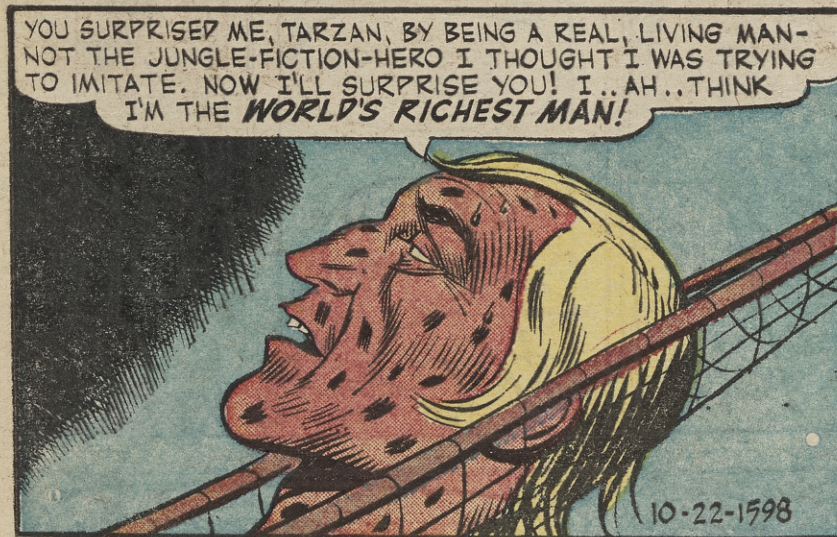

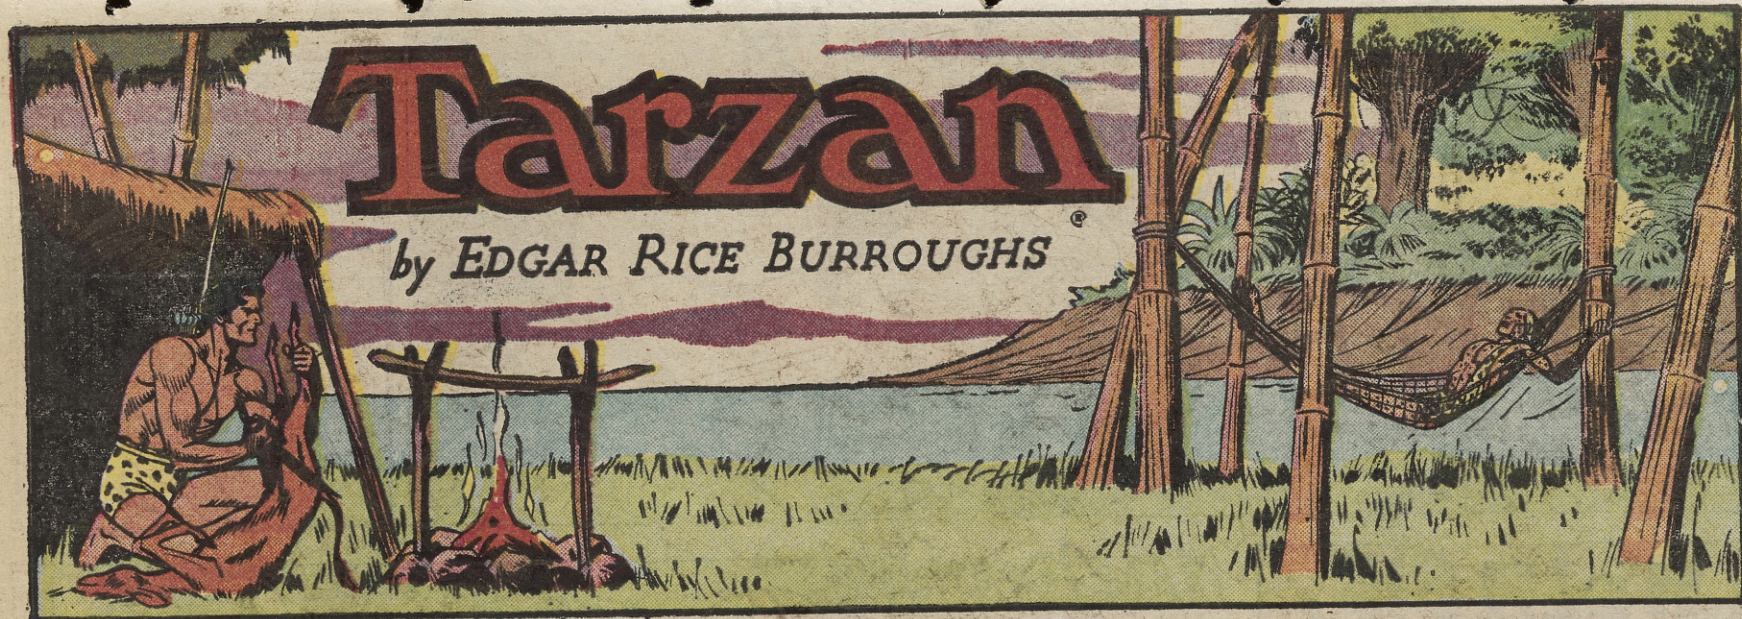

NOT A THING! IT'S JUST RIGHT!

SAY, THAT'S GOOD!

WHY, IT'S DELICIOUS!

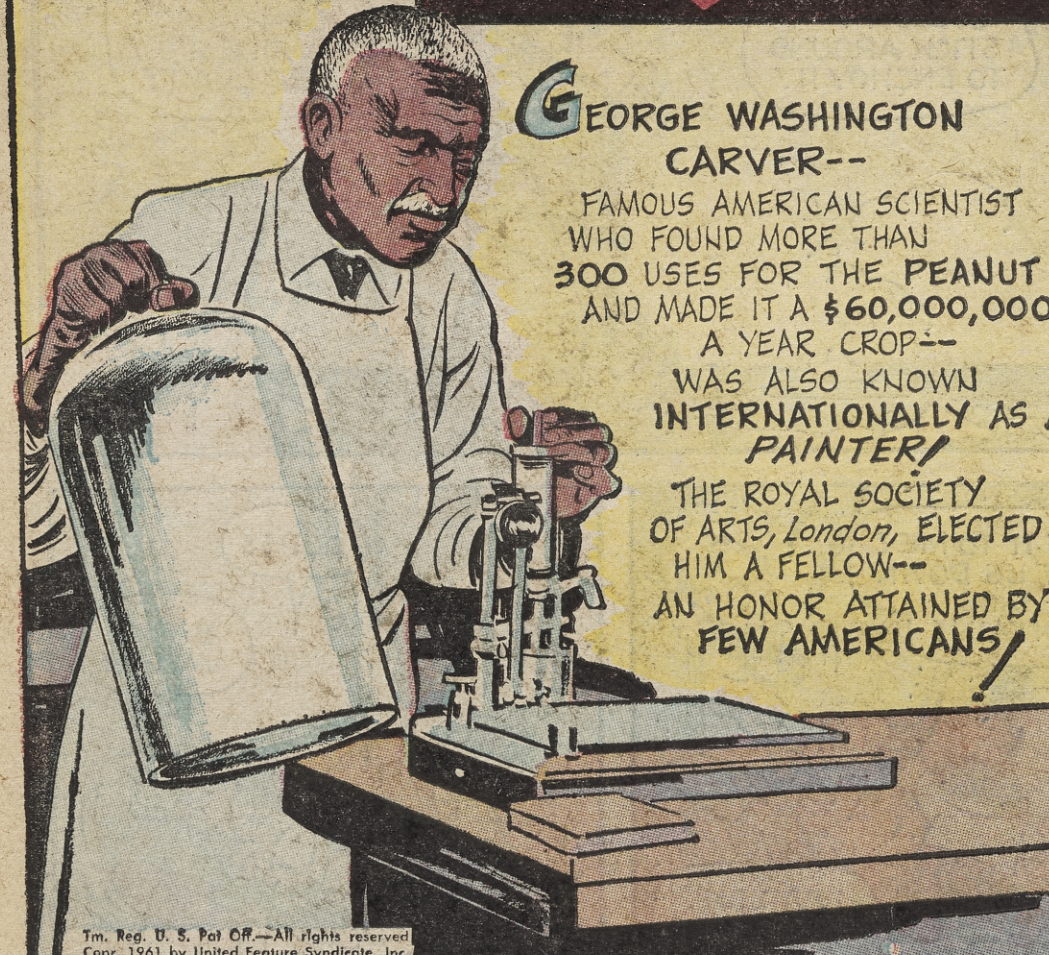

I'M GLAD TO HEAR THAT YOU LIKE IT...

....BECAUSE, WHEN I GOT THROUGH COOKING IT, I FOUND I'D MADE ENOUGH TO LAST FOR MONTHS!

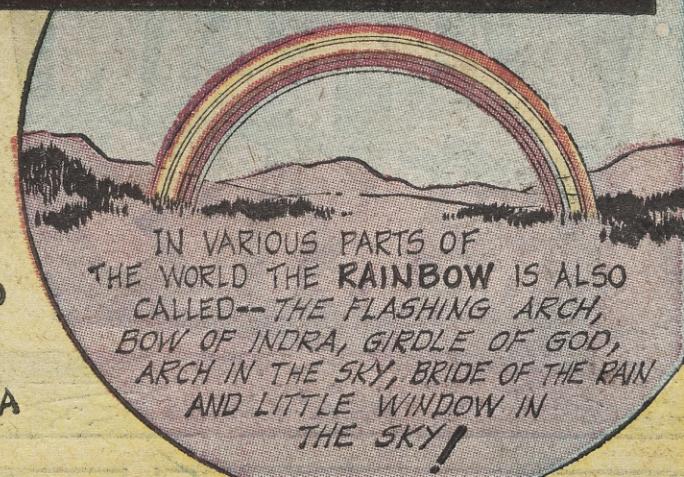

STRANGE as it seems

HEY ROCKY! COME OVER HERE AND PLAY WITH US!
THIS IS MY SUNDAY FOR SLEEPING--AND THOSE KIDS ARE MAKING MORE NOISE THAN A CALLIOPE!

RAH RAH SIS BOOM BAH!!
IT'S ONLY 8 O'CLOCK! WHY DO YOU SUPPOSE THEY'RE UP AND OUT ALREADY?
YIPPEE!

COME HERE, TOM. THEY'RE REALLY HAVING FUN.
I COULDN'T CARE! LESS!
WHAT'S THE IDEA OF ALL THIS NOISE?
WE'RE HAPPY, DADDY!

THAT'S FINE--BUT IT'S ONLY EIGHT O'CLOCK. WHY BE HAPPY SO EARLY IN THE DAY?
BECAUSE--WE NEVER LIVED THIS DAY BEFORE!
